## DISTRICT ANNUAL REPORT

The superintendent or designee shall annually prepare a written report informing the public of the following areas of district characteristics and student achievement results:

Student demographics, including enrollment by grade and site, number of students receiving free or reduced meals and number of special education students.

District financial information including levy, total budget, valuation per pupil, per pupil costs and local, state and federal revenue.

Student academic performance including results of standardized tests, average g.p.a. for elementary and secondary students, graduation rates and dropout rates.

Faculty experience and education data.

The following may also be included in the annual report:

*Transportation and facilities summary data.*

*Average class size information by site.*

*Graduation requirements and survey results of recent graduating classes.*

*College credits earned by 11th and 12th grade students.*

*Parent-teacher conference attendance rates.*

*Course-offering information.*

*Numbers and of volunteers and total time volunteered.*

*Community attitudes survey information.*

The annual report shall be communicated to the public by posting on the school website.
