CERTIFICATED EMPLOYEE WORK DAY

The work day for certificated employees shall begin each day of the school year at a time established by the superintendent. Certificated employees who are employed only during the academic year shall have the same work day as other certificated employees. "Day" is defined as one work day regardless of full-time or part-time status of an employee.

Certificated employees are to be in their assigned school building during the work day. Advance approval to be absent from the school building must be obtained from the principal whenever the certificated employees must leave the school building during the work day.

The building principal is authorized to make changes in the work day in order to facilitate the education program. These changes shall be reported to the superintendent.

The work day outlined in this policy is a minimum work day. Nothing in this policy prohibits certificated employees from working additional hours outside the work day.
