### **ASSIGNMENT OF NEW STUDENTS TO CLASSES AND GRADE LEVELS**

New students entering from schools recognized and approved by the Nebraska Department of Education will initially be placed in grades and classes on the basis of their grade placement/credits in the school from which they are transferring. The district administration, through academic achievement tests and other evaluation measure as necessary, will determine the appropriate grade level/credit status of students transferring from schools that have not been approved by the state department of education.

Previous high school work will be validated for a high school student by successfully completing a higher level unit in this district's high school for every unit completed in a non-accredited high school; i.e., completion of a second-unit mathematics-would validate the mathematics-credit transferred. If no successive course work is pursued to validate the credit, similar or equivalent work will be evaluated at the discretion of the principal.
