## **STUDENT MEMORIALS**

The District will provide family and friends ample opportunities to express their grief upon the death of a student who was enrolled in one of the district's schools at the time of his/her death. Opportunities for families and friends to express their grief shall be in accordance with district rules and procedures as outlined in Board Policy 509.03 RI Student Memorials and Procedures.

The board of education reserves the right to accept or reject any and all memorials donated or purchased in the memory of a student or staff member.
