STUDENT PROGRESS REPORTS

Students shall receive a progress report within the first 6 weeks of each quarter.

Students, with an average grade of 73% or below, and their parents, will be notified from classroom teacher, every three weeks prior to the end of the quarter in order to have an opportunity to improve their grade. The classroom teacher will make notification to student verbally in confidence and to parents/guardians by phone calls. The board encourages the notification of students who have made marked improvement prior to the end of the semester.
